

Business as Mission Opportunities

Please make enquiries to Krista Shugart – kjscan@securenym.net

1	<i>Finance/Accounting/Management</i>	<i>Sector: Microcredit</i>	<i>Location: Tajikistan</i>
	<i>Apprentice (2 year) or Long-term</i>	<i>Compensation? Partial</i>	<i>CODE: FM</i>

This microcredit company working in Southern Tajikistan, employs 55 staff in 5 branches and is presently serving over 1500 active clients. They are looking for specialists in finance, accounting or management to help them grow/develop systems and managers while at the same time being salt and light in word and deed. Education or work experience in the above areas is helpful. They are looking for apprentices (2 years) as well as those who are interested for longer terms. They will compensate long-term workers with a salary commensurate to a local salary in this position.

2	<i>Operations Management</i>	<i>Sector: Photography</i>	<i>Location: India</i>
	<i>Long-term</i>	<i>Compensation? Yes</i>	<i>CODE: ED</i>

This custom photo editing company based in northern India is seeking an Operations Manager with a Kingdom mindset, who has a thorough knowledge of Adobe Lightroom software and is competent in Adobe Photoshop/ Camera Raw/Bridge tools. The owners are open to considering someone who needs additional training, with the potential to move into a management position.

3	<i>Business Development</i>	<i>Sector: IT</i>	<i>Location: USA</i>
	<i>Long-term</i>	<i>Compensation? Yes</i>	<i>CODE: IT</i>

This BAM IT Company, located in India, offers agile project and innovative workforce solutions, as well as proactive managed services. They are seeking a self-motivated individual to cultivate relationships and secure contracts in USA. The qualified candidate will possess a solid knowledge of the IT industry and the latest relevant technology trends (Web Software, Mobile Apps & Internet Marketing) as well as experience in sales and closing deals. This is a full-time, salaried position.

4	<i>HR/Community Consultant</i>	<i>Sector: Manufacturing</i>	<i>Location: Bangladesh</i>
	<i>Short-term</i>	<i>Compensation? No</i>	<i>CODE: OC</i>

A BAM, export-focused, manufacturing business currently employs 100 people and has a vision to scale. The goal for the HR and Community Impact Consultant is to train and empower the company's leadership and production team to become more effective agents of positive social change in their communities. They are seeking an experienced professional to put an HR framework in place, and mentor and provide support to staff on social impact. This is a self-funded commitment (3 months – 2 years in length) based in Bangladesh.

5	<i>Trip Facilitator</i>	<i>Sector: Tourism</i>	<i>Location: Indonesia</i>
	<i>Long-term</i>	<i>Compensation? Yes</i>	<i>CODE: TI</i>

Work with a team to create unforgettable experiences for guests at this simple beach resort! The qualified person for this job opportunity will have an outgoing personality and enjoy interacting with people. He/she will be fluent in Indonesian and have experience in the hospitality industry. In this role you will help to empower local employees. This is a paid, fulltime opening which requires a minimum 2 year commitment. This company is also hiring a resort/property manager.

6	<i>Chief Operating Officer</i>	<i>Sector: Publishing</i>	<i>Location: India</i>
	<i>Long-term</i>	<i>Compensation? Yes</i>	<i>CODE: AT</i>

In order to accelerate growth, this large publishing company is seeking a mission-focused, process-minded leader able to scale the organization and lead and develop the management team. He/she must be someone able to help others deliver measurable, cost-effective results. The qualified candidate will have proven experience in scaling a multi-site organization. The company is based in Bangalore and is offering a competitive salary.

7	<i>Medical Internships</i>	<i>Sector: Pharma/Cancer Clinic</i>	<i>Location: India</i>
	<i>Internship/Short-term</i>	<i>Compensation? No</i>	<i>CODE: CS</i>

This Cancer Foundation is an NGO registered in India, operational since 2013, and a ministry of a BAM pharmaceutical company. It conducts cancer screening and awareness seminars using a mobile cancer screening bus, which goes to different places, including remote villages, to conduct cancer screening and educate on cancer. Students with a science or biology background or nurses or doctors are suitable to do short-term volunteering with this NGO.
