Partnerships? Partners? National Ministries?

- It's about understanding and obeying God.
- It is not about funding. Not about the haves and the have-nots. It's about the reached to the least-reached.
- It's about the body properly responding to the instructions from the head.

4. Something is wrong with my body.

Eph 4:15-16

... growing in every way more and more like Christ, who is the head of his body, the church. He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.

1. Thank You. Missions work.

4. Something is wrong with my body.
5. Seen this before?

Acts 11:27-30

During this time some prophets came down from Jerusalem to Antioch. One of them, named Agabus, stood up and through the Spirit predicted that a severe famine would spread over the entire Roman world. (This happened during the reign of Claudius.) The disciples, each according to his ability, decided to provide help for the brothers living in Judea. This they did, sending their gift to the elders by Barnabas and Saul.
