

William Carey International University

Strives to address the
roots of human problems
both globally and locally

OUR MISSION

WCIU seeks to provide innovative distance education to enhance the effectiveness of scholar-practitioners as they serve with others to develop transformational solutions to the roots of human problems around the world.

OUR VISION

For a verdant and flourishing world, ripe with wholeness and peace for all peoples.

WILLIAM CAREY
INTERNATIONAL UNIVERSITY

*"The Spirit of the Lord is on me,
because he has anointed me to
proclaim good news to the poor.*

*He has sent me to proclaim
freedom for the prisoners and
recovery of sight for the blind, to
set the oppressed free, to
proclaim the year of the Lord's
favor."*

Luke 4:18-19

Wholistic

We want to see flourishing communities and relationships with God, one another, and creation.

Graduate Certificate in Social Entrepreneurship

In this Certificate Program, small business owners and entrepreneurial leaders among the urban poor explore the theology and practice of developing self-help savings groups, sustainable entrepreneurship, business planning, and resource building. Those with resources are invited to learn wi

Graduate Certificate in Leadership of Urban Movements

. Do you long to mobilize the masses to transform the spirituality, values, culture and structures of a Megalopolis? This certificate is formational for emerging ethnic and urban movement leaders' wisdom, skill, and character in seeking transformative solutions in megacities and among ethnic peoples and the urban poor.

Graduate Certificate in Urban Community Development

Develop skill in non-profit (NGO) leadership in marginalized communities. This Certificate focuses on the practice of church-based community development, from aid to community development to community organization to advocacy.

Women's Institute

The Women's Institute exists to promote research and education in transformational development impacting women globally.

Our vision is to be a space for women to collaborate and promote flourishing in their communities and across the globe.

Institute for Urban Movements

The Institute for Urban Movements seeks to engage in the academic conversation surrounding urban leadership in holistic development work.

Focusing on religious and social movements that create lasting transformation, the Institute contributes to academia and development practices through hosting summits, trainings, and seminars.

Institute of China Studies

China is becoming an active player in international development today.

The Institute of China Studies seeks to add to the growing body of modern academic resources for development workers in China. We also hold forums, panels, and discussions around development in China.

The Eden Vigil Institute for Adaptive Leadership and the Environment

Roots & Realism

In support of WCIU's vision "for a verdant and flourishing world," the Eden Vigil Institute promotes research, education, and discussion on the spiritual, religious, economic and other roots of the climate and ecological crisis.

Vision

Our vision is to be a center of wisdom for activists in all environmental movements (climate, creation care, environmental justice, environmental missions, etc.), including promoting the principles and practical skills of Adaptive Leadership.
